Gauzes

Absorbent Cotton Gauze is manufactured from 100% first grade non-allergenic absorbent cotton. It is white in colour and is highly absorbent which makes it widely used in hospitals as tampons and gauze swabs.

TRACHEO DRESSING

Sellmed S.r.l. offers a range of Tracheo Dressings designed for optimal care and protection around tracheostomy sites. Available with Metalline or Polyurethane Foam, these dressings ensure excellent absorption, gentle wound contact, and high patient comfort. The Metalline version minimizes adhesion and promotes airflow, while the Polyurethane Foam version provides superior cushioning and exudate management for enhanced healing.

Metalline with PU Foam
