About Us

Vision

Our vision is to set a new benchmark in the medical disposable industry by becoming a trusted global partner that healthcare professionals rely on every day. We aspire to shape the future of healthcare by providing innovative, safe, and sustainable disposable solutions that enhance patient care and improve operational efficiency.

Through continuous innovation, unwavering commitment to quality, and a deep understanding of our customers' needs, we aim to inspire confidence and make a positive impact on the health and well-being of communities worldwide.

Mission

At the heart of our mission is a dedication to excellence in every product we deliver and every relationship we build. We are committed to manufacturing and supplying premium-quality medical disposable products that meet the highest international standards for safety, performance, and reliability.

But we don't stop there – we go beyond simply providing products. We partner with our customers to deliver complete, customized solutions that address real-world healthcare challenges. By combining advanced technology, expert knowledge, and responsive service, we help our clients achieve better outcomes, reduce risks, and improve patient care.

Driven by integrity, innovation, and customer satisfaction, we strive to create lasting value for our partners and contribute to a healthier, safer future for all.

Company Profile

Sellmed s.r.l. is an Italian company dedicated to manufacturing and sales of innovative, high quality and certified medical devices. Since its establishment, Sellmed s.r.l. is providing quick and reliable solutions to its customers.

Sellmed s.r.l. has its headquarters in Torino, Italy, and a subsidiary company in Turkey.

Sellmed s.r.l. is continuously increasing its product portfolio by differentiating and adding devices within several product lines. We are providing more than 600 different medical products to our customers.

Enteral Feeding Sets

Ensure comfort, safety, and reliability with Sellmed enteral feeding sets. Designed for smooth and consistent nutrient delivery, our sets combine premium, DEHP-free materials with secure, easy-to-use connections. Compatible with leading feeding pumps, they offer trusted performance for both hospital and home care environments.
